Job Description

The African School of Regulation (ASR), in collaboration with GET.transform, is launching the African Women in Energy Regulation – Leadership Program (AWER-LP) to empower African women in energy regulation.

We are inviting proposals from experienced consultants to develop and deliver training content for the following modules:

- [Lot 1: Leadership in Energy – Navigating Male-Dominated Sectors](#)
- [Lot 2: Negotiation, Influence & Assertive Communication](#)
- [Lot 3: Work-Life Balance & Time Management for Energy Professionals](#)
- [Lot 4: Leadership Career Development & Mentorship \(Mentorship & Sponsorship, Personal Branding, Networking\)](#)

Delivery Format:

- Lots 1 & 2: Online (14–21 November 2025)
- Lots 3 & 4: In-person in Accra, Ghana (24–28 November 2025)

Deadline to Apply: 17 October 2025 (23:59 GMT)

Submit proposals to: procurement@africanschoolregulation.org

Who Should Apply?

Consultants with expertise in energy regulation, leadership development, mentorship, gender dynamics, and adult learning. Joint proposals are welcome.
