Job Description

ABOUT RENEW CAPITAL

Renew Capital is a pan-Africa investment firm with a presence in 13 countries. We back the bold founders using technology to pursue Africa's greatest opportunities.

With more than a decade of investing on the continent, Renew Capital is among the most active investors building Africa's thriving private sector.

Renew Capital is powered by a team of investment, finance, legal, advisory and market development professionals. Our bench includes seasoned investors, analysts, operators and ecosystem experts with deep experience scaling businesses across Africa.

ROLE SUMMARY

The Investment Ecosystem Development Director will lead Renew Capital's operations and ecosystem engagement in Ghana. This role is responsible for setting strategic direction, driving country-level investment ecosystem initiatives and representing Renew Capital at the highest levels with government, investors and development partners. The Director will oversee project execution, investment sourcing and revenue-generating initiatives, while ensuring Ghana becomes a cornerstone of Renew Capital's strategy.

The successful candidate will be a seasoned leader with deep experience in investment, private sector development and stakeholder management. They will be entrepreneurial, visionary and capable of building a sustainable country office that delivers impact.

Key Responsibilities

Strategic Leadership & Country Office Management

- Lead Renew Capital's strategy in Ghana, ensuring alignment with the firm's pan-African vision.
- Drive revenue-generating initiatives to achieve long-term sustainability.
- Represent Renew Capital at the highest levels, positioning the firm as a trusted partner to government, investors, entrepreneurs and development stakeholders.

Ecosystem Development & Stakeholder Engagement

- Design and implement Ghana's investment ecosystem development strategy.
- Forge partnerships with government, DFIs, multilaterals, corporates and other ecosystem actors.
- Act as a thought leader and spokesperson at high-level forums, shaping the discourse on entrepreneurship and investment.
- Build Renew Capital's brand through convenings, strategic communications and ecosystem events.

Investment & Advisory Leadership

- Oversee sourcing, evaluation and due diligence of investment opportunities to ensure high-quality deal flow.
- Build strong relationships with founders and portfolio companies, supporting their growth and success.
- Lead presentations of Ghanaian opportunities to Renew Capital's global investor network.
- Guide the design and delivery of consulting and market development projects, ensuring excellence in reporting, impact measurement, and client engagement.

Preferred Qualifications

- Master's degree in business administration, finance, economics, or a related field.
- 10+ years of experience in investment, entrepreneurship, or private sector development, with at least 5 years in a leadership role.
- Proven track record of managing complex projects and/or country-level operations.
- Strong network within Ghana's private sector, government and development ecosystem (or ability to rapidly build one).
- Exceptional communication, negotiation and relationship-building skills.

Why This Role Matters

Ghana is at an inflection point, with a dynamic private sector and growing interest from international investors. This role offers the opportunity to shape how capital flows into the country, drive inclusive growth and position Renew Capital at the forefront of Ghana's entrepreneurial future. If you are a visionary leader with the passion and ability to build ecosystems, drive investments and deliver impact, we invite you to join us.
